SC-05082/62-KH
11 April 1962

MEMORANDUM TO: Recipients of Attached Document.

SUBJECT : Soviet Knowledge of US Reconnaissance
Satellite Programs.

1. In view of the current and continuing interest in Soviet knowledge of US satellite reconnaissance activities there is distributed herewith a copy of material which was prepared for the DCI. It contains information submitted by several contributors and is being distributed to give each of them the benefit of related material which may not otherwise be readily available in consolidated form.
